Ordeal / Brotherhood Weekend

Camp Lazarus, September 10 – 12, 2021

After successful events at our first three Ordeal / Brotherhood weekends, we are ready for our last Ordeal / Brotherhood weekend for 2021 at Camp Lazarus. We invite you to come out to our busiest Ordeal, at the Council's busiest camp to help us provide a memorable event for all our Candidates.

If you are a new Ordeal member who took their Ordeal in 2021, you are eligible to attend this event for FREE. When you sign up, use "OA Member who took their Ordeal this year" as your registration type. Unfortunately, we can't offer this to everyone, so those who were already members before that Ordeal will still have to pay.

The cost for members is just \$20.00, but if you register online by September 6, 2021, we will give you a \$5.00 discount making it just \$15.00 for the weekend.

Do You Need to Take Your Brotherhood?

If you took your Ordeal anytime prior to this year and you have not yet sealed your membership in the OA by taking your Brotherhood, what's stopping you? It really not very hard and I can promise you that nobody fails. All we ask is that you learn a few things and demonstrate them to us. Then you can go through your Brotherhood ceremony and show your commitment to Scouting and the Order of the Arrow. This can be done at any of our Ordeal weekends and the cost is just an additional \$20.00 added to the regular cost of the weekend. For this you will receive a new Brotherhood sash and you will have the opportunity to make a personalized Brotherhood totem you can wear around your neck.

SCOUTING'S NATIONAL **HONOR** SOCIETY

Chiefly Speaking

By Will Finley, Tecumseh Lodge Chief

I am excited to be over halfway through our ordeal season this year. Thus far the season has been going extremely well. We have seen pretty good numbers at our Fellowship and Ordeals, welcoming new brothers into our organization. That said we still have several events left for you this year including a final upcoming ordeal. This upcoming ordeal at Camp Lazarus will need your help because of the increased attendance. There are many places to become plugged in and find some new friends in. Following the Camp Lazarus ordeal, we will be hosting Scouting's Biggest Mystery at Camp Lazarus in October, during our year ending Fall Fellowship. The fellowship will not only be loads of fun with our events, but will also be very important because of the new chapters. If you have not heard our chapters have now condensed into four, and at the fall fellowship we will be picking new names and leaders for each chapter putting a mark onto our Lodge's history. In light of how influential the next few events will be I hope to see you there.

At the beginning of August, the Lodge Advisor and I had the opportunity to travel to Philmont for the National Council of Chiefs (NOCC). At this event we both had a blast with not only fun activities but a slew of training sessions. At the NCOC we spent a lot of time going over a variety of things like preparing for mergers, thinking about how to plan events differently, the Magellan project, BSA financing, integrating a new generation of scouts, and lots of great ideas and general networking from other lodges and national leadership. After the event we immediately started to implement some of the ideas picked up from the NCOC, with many more changes on the horizon. Feel free to ask me about the National Council of Chiefs at our next weekend! I am looking forward to seeing all of you at our next event and can't wait for the fellowship with our new brothers.

Advice

By Rob Fanska, Tecumseh Lodge Adviser

I would like to start off by congratulating our new brothers. During the Falling Rock ordeal we had 32 candidates complete their Ordeal and eight others earn their Brotherhood. Those that attended also had a great time on Saturday evening with the Fellowship activities.

Our final Ordeal/Brotherhood weekend of the year is quickly approaching on September 10th at Camp Lazarus. We will need many people to assist with service projects, leading candidates, and volunteering in the kitchen in order to run a successful event. Also, if you completed your Ordeal in 2020, you are eligible to earn your Brotherhood. Registration is now open, and we look forward to seeing you there.

Fall Fellowship is scheduled for October 8th – 10th at Camp Lazarus. It is important that we get as many attendees at fall fellowship as possible. In addition to Lodge officer elections, we will have joint meetings of the new chapters. At these meetings the new chapter names will be selected. Come attend and be a part of writing the next chapter in the history of Tecumseh Lodge.

If you are interested in running for a Lodge officer position in 2022 you will need to fill out a Lodge Officer agreement form. These forms can be picked up from me or printed off of our Lodge website. A completed Lodge Officer Agreement is required in order to run for an office in 2022.

Finally, National Order of the Arrow Conference is coming next summer. NOAC 2022 will be held July 25th – 30th, 2022 at the University of Tennessee. NOAC is guaranteed to be a great time for all attendees. Registration is open and we have room to add more participants. See our webpage for additional details.

In closing, we have several exciting events and initiatives coming up in the Lodge. Stay safe and healthy and I look forward to seeing you at a future event!

Re-Districting

Tecumseh Lodge Redistricting Impacts

As most of you know already Simon Kenton Council recently approved a proposal to reorganize districts and reduce the number from ten to four. This has far reaching impacts on Tecumseh Lodge within our Chapter structure. Currently each of the ten districts has a unique chapter assigned as is detailed within our Lodge bylaws. The Lodge has formed a redistricting committee to support this effort and ease the transition.

The committee has already met several times to discuss the impacts and plan for the necessary realignment. The plan is to create four new chapters, one for each the new districts moving forward. This will cause several issues including identifying chapter leadership, meeting times/locations, and chapter names. The youth in the Lodge Executive Committee (LEC) approved a proposal at the most recent meeting to create all new names and identities for the reformed chapters.

The Lodge realizes that there is significant historical significance attached to many of the current chapter names. This is a part of our proud history that will not be forgotten. We maintain a website that has much of our history, it can be reviewed at <http://history.tecumseh65.org/>. We are always looking for additional support to maintain and update our website. If you are interested, please reach out to us for more information.

Fall Fellowship will be critical to the redistricting effort and is October 8th – 10th at Camp Lazarus. At Fall Fellowship we will introduce chapter leadership, have our first new chapter meetings, elect officers and rename the chapters. It is critical that we get a large turnout and get everyone's input in this process. If you have any questions or concerns, please reach out to Colin Kovichick (<mailto:4@Tecumseh65.org>) or Rob Fanska (<mailto:7@tecumseh65.org>)

FORUM – A Regional Training Event

November 5 – 7, 2021

Camp Lazarus

For many years now, the Sections of Area 4 have come together to host a first-class training experience. With the merger of Sections C4A and C4B a new opportunity arose. Partnering with Section C6B in Western Ohio, Section C4 builds on the legacy of ALTC with its training event, FORUM. Named for the famed Greek Forums of antiquity, this event will provide both training through demonstration and lecture along with a new focus on idea sharing and open discussion.

This will be a great weekend of great training, food and fun for anyone interested in the Order of the Arrow. Plan to join us this November 5-7, 2021 at Camp Lazarus for an exciting weekend of fun, learning and fellowship. Save the date and keep watching our lodge website for more details as they are available.

History Corner – Camps

There have been a dozen or more camps related to Tecumseh Lodge and its predecessors, we are hoping to gather all the information we can on them. This is just a partial list and we are working on a more complete one, so if you know of other camps that have been involved with our lodge or the Lodges we have merged with, contact Aaron Wyckoff and let him know.

Chapters

By Colin Kovinchick, Vice Chief of Chapters

Next month, there will be changes coming to the way chapters are going to be working in our lodge. As you may already know there are four new districts in the Simon Kenton Council North, South, East, and West. This means that Tecumseh Lodge must follow suit with these changes. With that, the LEC has decided to scrap the current chapter names and have the four new chapters decide on all new names and leadership. If you would like to be a part of history and help decide the new names for the chapters, please come to the fall fellowship at Camp Lazarus, October 8-10. I hope to see a big turnout and can't wait to see what everybody comes up with!

Get Ready for the 2022 National Order of the Arrow Conference! University of Tennessee, July 25th – 30th, 2022

NOAC is a national gathering of Arrowmen from nearly every Lodge in the nation. Once every couple of years, we get together for six days of fun, adventure, and learning. If you choose to go, you will find a large selection of activities ranging from Native American dancing and regalia to scuba and snorkeling. The best thing is YOU get to choose what you want to do and when you do it. Some of the great activities at NOAC include:

- Live stage shows
- Hundreds of training sessions on leadership at all levels in Scouting, Native American interests, performing ceremonies, high adventure activities, conservation, and much more
- Meet the Man events with the OA national officers, national committee, and others
- Adventure Central, with dozens of outdoor ideas and challenges (plus free swag!)
- Individual and team athletic competitions against other lodges from across the nation
- Ceremony competitions
- Patch trading, patch trading, and more patch trading
- Native American dancing and drumming competitions
- The OA Museum
- Founders Day, where lodges from all over set up games and displays of their local highlights
- And tons more!

While at NOAC, you'll be staying in the university dorms, sleeping on real beds and using real indoor restrooms and showers. Breakfast, Lunch, and Dinner will be served in the university cafeterias where they do the cooking and the cleaning – all you have to do is return your tray.

The cost this year will be \$650.00, which includes your National NOAC fees, exclusive Tecumseh Lodge NOAC shirts, special NOAC Lodge flaps, a pizza party during our trip, transportation there and back again, and more. Additional Lodge flaps are available at a reduced cost for Lodge contingent members, so you can join in with the patch trading which will be abundant at the event.

We need to place our reservation with the national office in October, and that means we need you to sign up now! A \$100 deposit paid by October 1st will hold your spot – the rest of the money won't be due until December, 2021. After that the price increases by \$50.00 to \$700.00. Register on the Tecumseh Lodge website, and get ready for the experience of a lifetime.
